Holiday Collection Schedule

Collection is delayed by one day for customers whose service day falls on or after the following holidays when they occur on a weekday:

- Memorial Day
- July 4th
- Labor Day
- Thanksgiving Day
- Christmas Day
- New Year's Day

The Lake County Transfer Station & Recycling Center will also be closed on these holidays. For a complete description of the holiday schedule, visit us at www.candswaste.com.

RECYCLING ALERT

A serious problem has developed for recycling programs in California and globally.

For decades, the majority of recyclable paper, cardboard and plastic collected in the country has been exported to China for use in manufacturing. China has recently established strict, new rules about contaminants in recycling loads, and exports have slowed to a trickle.

As a consequence, we and other haulers are having to pay to ship certain recyclables.

Historically, revenues from selling recyclables have been used to offset recycling process rates. That is no longer the case today, and revenues are not covering collection and processing costs.

WHAT YOU CAN DO TO HELP

It is vital that all recyclables in the blue cart be **EMPTY, CLEAN,** and **DRY.**

No food scraps, plastic bags or trash are allowable in recycle carts. Recyclables must be sorted before they are baled and shipped, but our sorting line can only do so much.

The cleaner our recycling is, the better chance we will have in marketing these materials in a way that helps reduce our costs and holds rates at the lowest price possible.

More than ever, your help is needed. Please remember the basic rule of **EMPTY, CLEAN,** and **DRY.**
