**NO plastics of any kind, no liquids, no glass & no Hazardous Waste.**

- Mixed organic waste must fit inside cart and lid must close.
- Mixed organic waste and garbage collection are the same day.
- Cart must be within 3 feet of the street to be serviced.
- Material should be loose in the cart, not in plastic bags.

Please be aware that mixed organic waste is processed into compost. Only compostable materials are accepted. Keep your green cart free of contamination by placing only clean mixed organic waste in the green cart. Contamination and overfill fees may be applied.

**14 feet clearance above carts**

**CURB**

Place cart at curb with front of cart facing the street
