Holiday Collection Schedule

Collection is delayed by one day for customers whose service day falls on or after the following holidays when they occur on a weekday:

- MEMORIAL DAY
- THANKSGIVING DAY
- JULY 4TH
- CHRISTMAS DAY
- LABOR DAY
- NEW YEAR'S DAY

The Lake County Transfer Station & Recycling Center will also be closed on these holidays. For a complete description of the holiday schedule, visit us at www.candswaste.com.

COMMERCIAL CORNER

If you are a commercial business or multifamily complex that produces 4 cubic yards or more of solid waste every week, you are required by the state to participate in a recycling program.

230 Soda Bay Road, Lakeport

707-234-6425

Call to Schedule Today

At your home or business, you likely use products that even at their end of life are still considered hazardous waste. We call this material Household Hazardous Waste (HHW), and there are many types found in our daily lives:

- CORROSIVES:** acids, bases, batteries, drain or pile clog remover
- IGNITABLE:** paints (dry or wet), petroleum-based products, polishes, gasoline
- REACTIVE:** pool chemicals, hydrogen peroxide, iodine, perchlorates
- TOXICS:** poisons, pesticides, gardening chemicals, ammonia, solvents
- MISCELLANEOUS:** propane, helium, small oxygen tanks, smoke detectors, fluorescent lamps

Please **DON'T DISPOSE** of these items in your waste bins – it's dangerous for sanitation workers and harmful to the environment. You can safely divert HHW from the landfill by taking it to the following locations for proper disposal.

The **Lake County Transfer Station** (707-234-6400, www.CandSwaste.com) accepts electronic waste, household and automotive batteries, motor oil and oil filters, antifreeze, paint, and properly packaged, home generated sharps.

The mobile **HAZ-DROP** program collects household hazardous waste from Lake County residents the third Friday and Saturday of each month from 9:00 a.m. to 1:00 p.m. at rotating ends of the lake. See the schedule under *Friendly Reminders* and visit www.CandSwaste.com for a list of accepted items.

For other hazardous waste and disposal locations, please contact the Lake County Hotline at (707) 263-1980.

For more information on what to do with HHW or other items you no longer use, please visit LakeCountyRecycles.com.
